

A commitment to Excellence

Aarna is started by the pioneers of Bathroom Internal Fittings manufacturers, leading suppliers to the leaders of Bath Fittings Industry in India.

With over two decades of remarkable presence in industry, it was decided to create Aarna by translating excellence and perfection for producing faucets of highest quality.

Their vision brought the latest machines, best expertise and latest testing facilities at vasai Aarna came into existence.

Eye catching elegant series in both economical and premium categories are being produced at best possible prices with commitment to provide fastest After Sales Service. We hope to fit in your imagination & expectation.
